

CHANGE MANAGEMENT

At Pulsara, our mission is to help people in need and those who serve them. And while we believe our platform is key to building systems of care that scale, technology is only a small piece of the puzzle.

TECHNOLOGY

PROCESS

IT'S ABOUT **PEOPLE**

Change is hard. Switching to Pulsara may seem like a large-scale change with a lot of time, effort, and people involved. The Pulsara team is well-versed in change management and we're here to help make your people successful — after all, PEOPLE are the true key to navigating change successfully.

WE'RE YOUR PARTNERS IN THIS.

If you're worried about collaborating with neighboring organizations, don't stress — Pulsara is at its best when everybody comes to the table, so our team will take care of socializing with other organizations.

Pulsara is a light technology lift thanks to its intuitive user interface. Plus, Pulsara is designed to be a simple overlay to your current systems and processes — no need to fix what isn't broken; let's just make it better!

At Pulsara, our relationship doesn't end after implementation. Our team is here to support you 24/7 and will provide you with the tools and resources you need to succeed.

IT'S ABOUT **PEOPLE**

You spend every day making a difference in the lives of those in need. Our goal is to make care coordination easier for you — and that includes the process of making change happen. If you choose to embark on this journey with us, rest assured that you will not walk alone. Team Pulsara is here for you every step of the way.
