The "Incidents" screen features a dark theme. At the top, there is a hamburger menu icon and the title "Incidents". Below this is a red "Participating" button and a "Join an incident" link. A search bar with the placeholder "Filter by Incident Name or #" and a "Filter" icon is present. A list item titled "Active shooter at mall" shows "Incident #: -" and "Created on: Jun 10, 2024 13:52". At the bottom, there is a yellow circle with "01" and a red button with a plus sign and the text "INCIDENT".

The "New Incident" screen has a dark theme. It starts with "Cancel" and "Save" buttons. A question "Is this a test incident?" with a "Select" button is followed by a note "(Also called a drill, mock, training, or table top)". The "Location Coordinates" section includes a "Map" button and fields for "Latitude: 35.642650040117495" and "Longitude: -97.57102341663222". A "Radius (mi)" selector shows options 1, 5, 10, 25, and 50. There are input fields for "Incident #" and "Incident Name". Checkboxes for "Needs Triage" and "Require Patient Condition" are checked. A "Start Patient Type As" section has a "Select a Patient Type" dropdown. Below that is a "Configurable ID Type" dropdown set to "US | Statewide Wristband". A "Notes" section with a text area is at the bottom.
