The image displays two mobile application screens for incident management. The left screen, titled 'Active shooter at grocery store' (Active Incident), shows the 'Incident' tab with location coordinates (35.642650, -97.571023) and a 'Patients' list. The right screen, titled 'Active shooter at grocery store' (Edit Incident), shows the 'Edit Incident' form with fields for location coordinates, radius (25 mi), incident name, incident number, and owning entity (JW Pulsara EMS). The form also includes checkboxes for 'Needs Triage' and 'Require Patient Condition', a 'Start Patient Type As' dropdown (Trauma), and a 'Configurable ID Type' dropdown (US | Statewide Wristband). A 'Notes' section is present at the bottom. The 'Owning Entity' dropdown is set to 'JW Pulsara EMS'. A 'Stop Incident' button is visible at the bottom right of the right screen.
