## Optional Actions

- 05 Assign Room

The screenshot shows the Pulsara HQ interface. At the top, it says 'JW Pulsara Main' and 'My Availability' with a green checkmark. Below that, 'Total Patients: 4 Inbound: 1' and 'Last set 18 hr 57 min ago'. A 'Filter' button is on the right. The main area has a sidebar with icons for menu, location, bed, and star. The main content has a 'Filter Labels...' input, 'Last 7 Days' dropdown, 'Sort By' dropdown set to 'Newest', and buttons for 'ETA', 'Type', and '+ Create Patient'. The patient list shows two entries: 'STEMI' (SMITH, JOHN, 62y M, EMS FROM JW Pul..., On Site) and 'GENERAL' (Smith, William, 26y M, EMS FROM JW Pul..., Inbound). Annotations include: 01 (New Inbound Patient) pointing to the 'On Site' status; 02 (View Patient Details) pointing to the ellipsis (...) next to the patient name; 03 (Send EMS Acknowledgement) pointing to the ambulance icon; 04 (Set ED Arrival) pointing to the 'On Site' status; and 05 (Assign Room) pointing to the 'Room' field (Cath Lab) and 'Room' field (18).

## Patient Details View

The screenshot shows the 'Patient Details View' for 'JOHN SMITH'. At the top, there are buttons for 'Activate', 'PSR', and 'Stop Case'. Below that, there are tabs for 'Patient Details', 'Conversation', 'Team', and 'Requests'. The 'Patient Details' tab is active. It shows a list of patient information: 'Patient Type' (STEMI), 'Patient' (with an 'Edit' link), 'Date of Service' (Feb 11, 2025 11:16), 'Name' (JOHN SMITH), 'US | Statewide Wristband' (-----), and 'Hospital' (JW Pulsara Main). There is also an 'Add' button at the bottom right.
